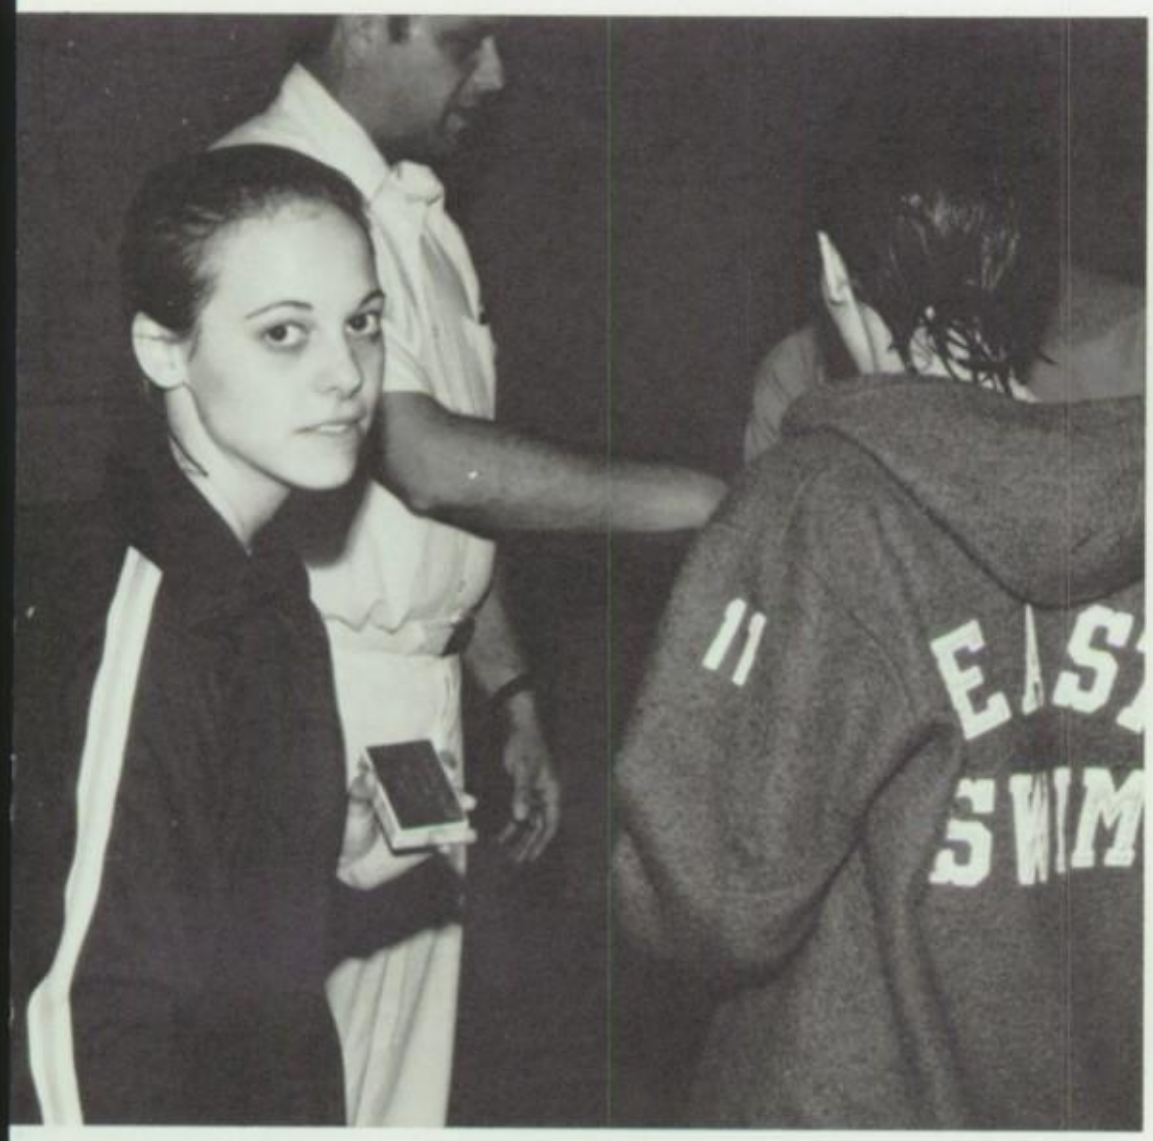
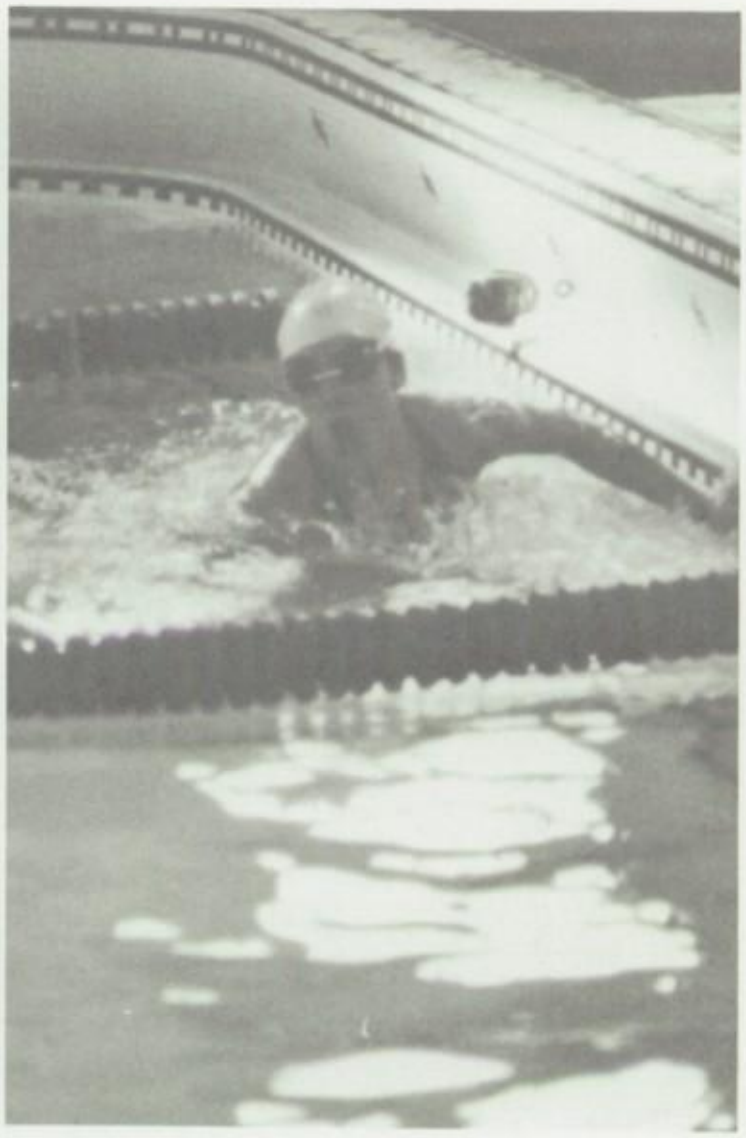
Of 1984

Risin' up
Straight to the top
Have the guts, got the glory
Went the distance
Now I'm not gonna stop
Just a man and his will to survive
- Survivor



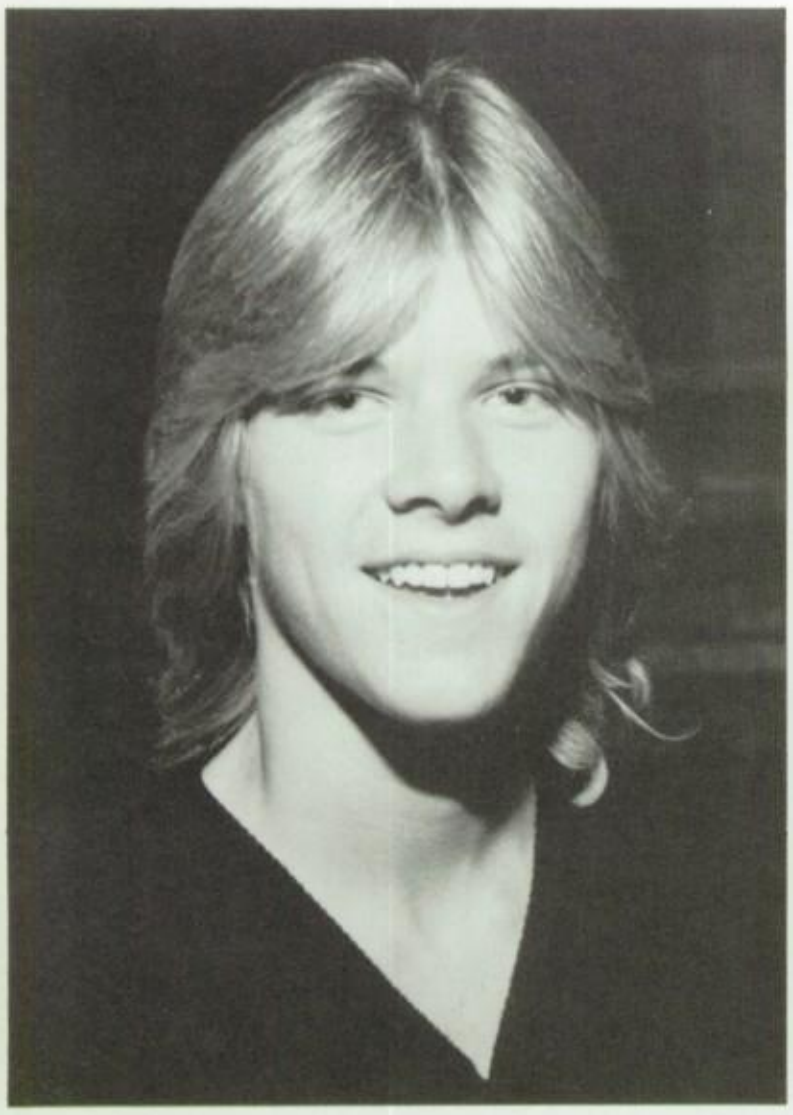


Listen everyone here,
This coming year's gonna be my year
I'm makin' it. I've got the chance
I'm takin' it. No more fakin' it
This time in life I'm making it

- David Naughton

We've only just begun to live
White lace and promises
A kiss for luck and we're on our way
Before the rising sun we fly
So many roads to choose
We'll start out walking and learn to run
And yes we've just begun
- Carpenters

Baby say goodbye
I'll be leaving in the mornin'
nothing you can do to make me stay
Baby say goodbye
I'll be leaving in the mornin'
Say goodbye
It's the last thing to say
And I'll be on my way
- Triumph



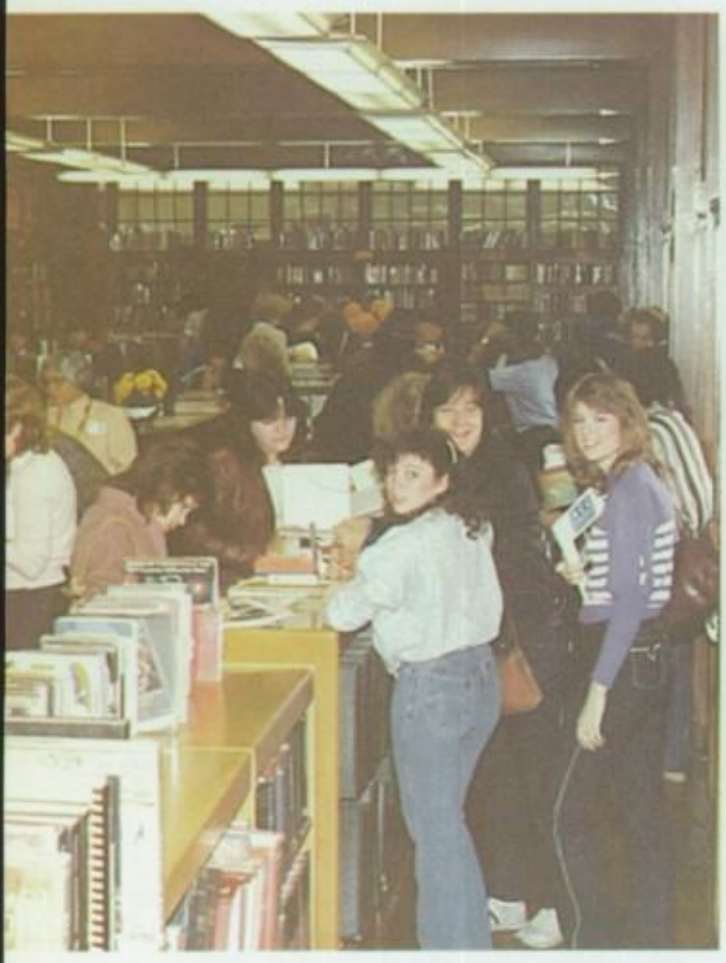
Do you know
Where you're going to?
Do you like the things
that life is showing you?
Where are you going to -
Do you know?

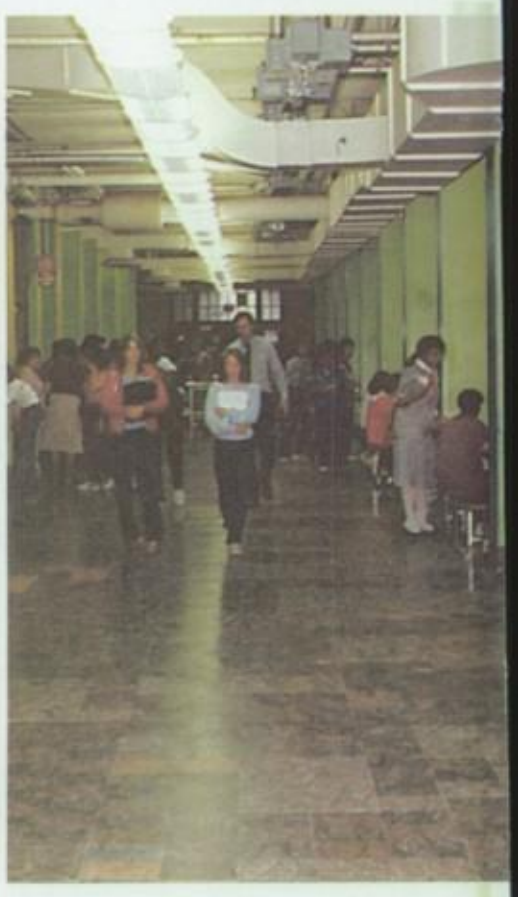
- Diana Ross

Take a step back
And see the little people
They might be young
But it's their words
That make the big people big
So listen as they whisper -
What About Me?

- Moving Pictures

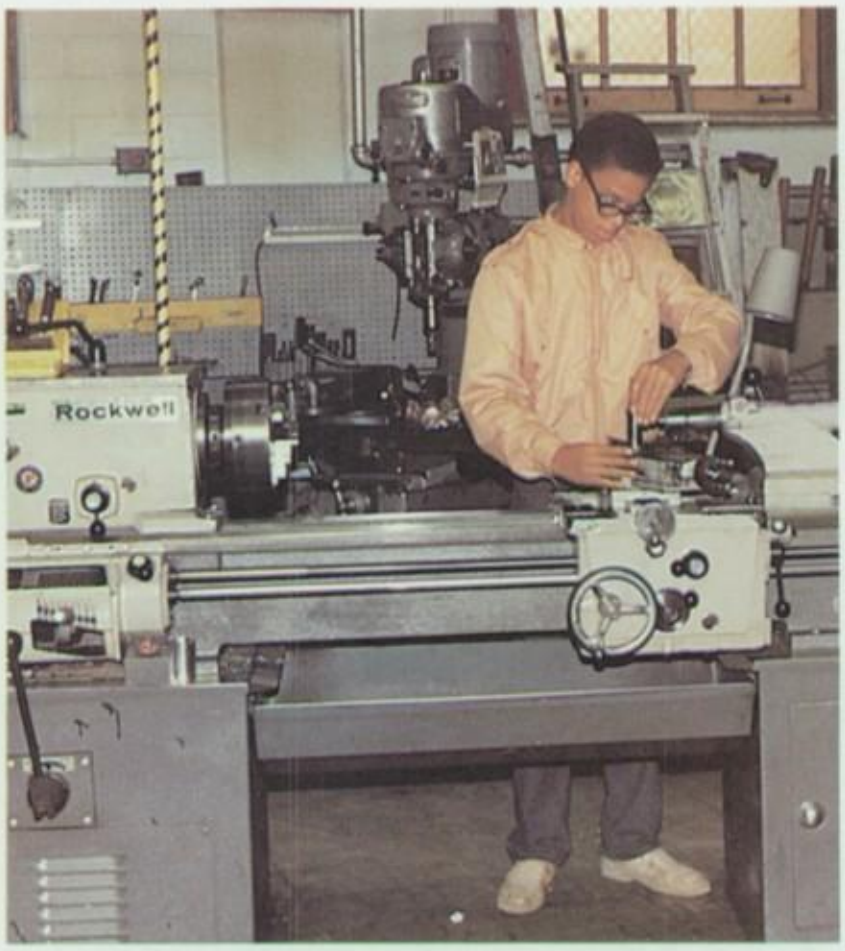
Memories
Like the corners of my mind
Misty water colored memories
Of the way we were
Scattered Pictures
Of the smiles we left behind
Smiles we gave to one another
For the way we were





Memories
May be beautiful and yet
What's too painful to remember
We simply choose to forget
So It's the laughter
We will remember
Whenever we remember
The Way We Were

- Barbra Streisand



I see no harm or danger in escaping
If the method suits the style
We put the mind on idle
And let the others take it for a while
When the pace is too fast
And I think I won't last
You know where I'll be found
I'll be standing here beside myself
Getting ready for the final round

No one can stop us now
Tonight we're on the loose
No one can tell us how
Tonight we're on the loose

- Saga

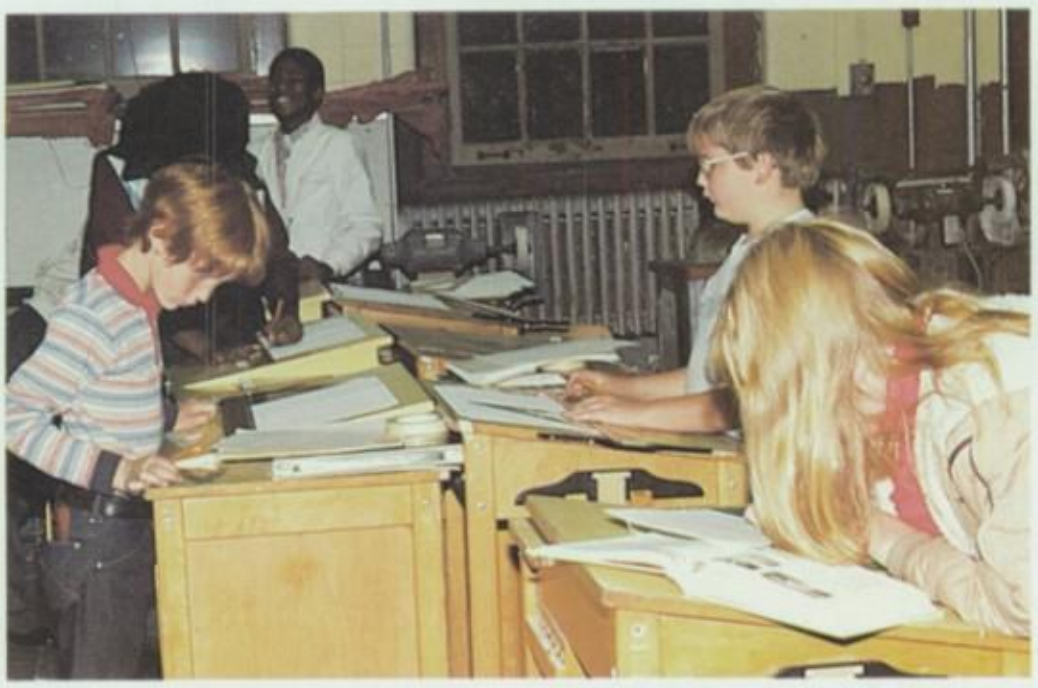
We're just ships that pass in the night
and we smile when we say it's alright
We're still here -
It's just that we're out of sight
Like those ships that pass in the night

- Barry Manilow

It's finally over
No need to pretend
One chapter ends and another begins
You can't keep hangin' on
Because there's nothing left alive
After the last goodbye
- Gus Hardin

Hold on to sixteen as long as you can
Changes come around real soon-
Make us women and men

- John Cougar



Who knows what tomorrow brings
In a world few hearts survive.
All I know is the way I feel,
If it's real I keep the dream alive
The road is long.
There are mountains in our way
But we climb a step every day.
Love lift us up where we belong
Where the eagles fly
On a mountain high
Love lift us up where we belong
Far from the world below
Up where the clear winds blow.

FACULTY

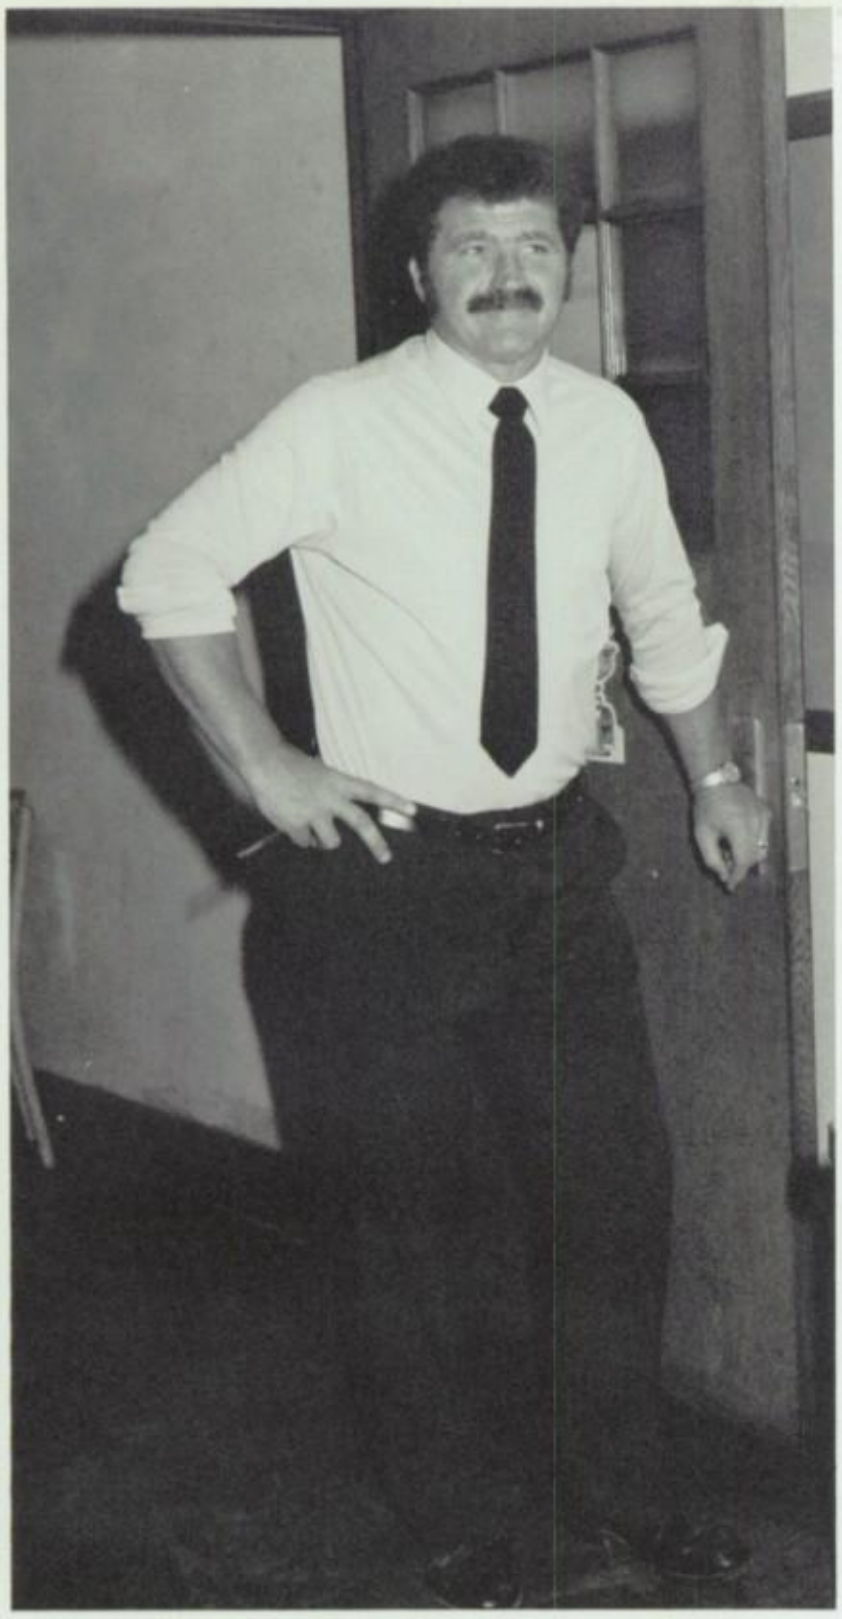
B.J. Glazier, Principal

A comprhensive high school is like a complex machine with many moving parts. The difference, of course, is that the parts in the school consist of people with all of their strengths, weaknesses, personalities, problems and needs that must mesh to afford a smooth running community. Like any machine, it needs care and proper maintenance.

The Class of '84 has been a vital part of this school for six years. As they depart this June, it is my hope that all graduates will carry with them fond memories of their years at Marshall and feel that care and proper maintenance was provided.

B J Glazier

Principal



On behalf of the Class of 1988 and the Class of 1989, I would like to wish all members of the 1984 Class best wishes.

Many of you have helped us (7th & 8th Grades) in our beginning years at John Marshall. Because of this help and guidance in many areas we hope to strive for many of the same goals you have reached.

Richard Wallman

Junior High Administrator

It is especially gratifying to be serving in the capacity of Vice Principal for the second school year. A warm appreciation is extended to the Class of 1984 for your enormous school spirit and dedication in helping to make the Class of 1984 one of the most memorable.

You are about to approach a year in your schooling which is bound to be filled with intensity. Make the most of your last days with us at Marshall, and cherish all the long lasting memories for years to come.

We Remember

Mr. George Ullrich

Mr. George Ullrich, a graduate of the University of Rochester and the University of Toronto, holds a bachelor's and master's degree in science. Mr. Ullrich taught in the city school district for twenty-nine years, eighteen of those he taught here at Marshall. As a department head, Mr. Ullrich was an experienced supervisor of perceptive intelligence. We here at Marshall will miss him, and wish him luck in his retirement.

In Memoriam
Mrs. Estelle Carter
1940-1984

Mrs. Dolores Irene worked for the city-school district for forty years, 8 of those being spent here at Marshall. Mrs. Irene was undoubtedly one of the best senior school secretaries the City School District has ever known. A comment on Mrs. Irene's evaluation from the Principal read, "Executive Assistance to the Principal: Par Excellence." Mrs. Irene's rapport with staff and students will be what is most remembered. We congratulate Mrs. Irene on her much deserved retirement, and wish her the best for the future.

Mrs. Dolores Irene

Mrs. Bea Schmitt worked in the John Marshall Cafeteria for twenty-four years. Mrs. Schmitt will best be remembered by staff and students for her pleasant personality and understanding nature. Mrs. Schmitt was contemplating writing a book after her retirement. We hope that she does, for we know it would be a best seller. We thank Mrs. Schmitt for all of her years here at Marshall and wish her luck in her retirement.

Mrs. Bea Schmitt

Our 1983 John Marshall Varsity Football Team finished the season with a record of 7 wins and 1 loss, the best football season in the history of the school.

During the regular season, the team led the league in scoring with 217 total points scored for an average of 27 points per game. They allowed a total of 67 points against them for the season for an average of 8 points per game. The team recorded 3 shut-outs - 27-0 against Jefferson, 48-0 against Monroe, and 36-0 against Wilson. They placed 10 of their players on the all-league first team.

This fine regular season qualified them for sectional play, the school's first appearance ever in the sectionals. Marshall was seeded fourth in Class AA and met Canandaigua, the number one seeded team, at Fauver Stadium. They went on to lose 26-6 to Canandaigua, who won the whole tournament and became Class 11 Champions.

This fine season, their sectional appearance, and the fine J.V. record of 4-2-1 is a stepping stone for consistency in Marshall football in the years to come. We congratulate all team players and wish them the best of luck.

Dedication

The Class of 1984 would like to take this opportunity to acknowledge all of the special people we've encountered in our years at John Marshall High School. To all of our administrators, teachers, our counselor Mr. O'Hara, and our class advisors Mrs. Oberleitner and Mr. Bachmann - we thank you for all of your help and guidance and for making us proud to be Jurists. You'll all be sadly missed. We would also like to offer our sincere thanks to all of our families and friends who have been with us through the years. It helped to know you were behind us all the way. We never could have made it without you.

Sincerely yours,
THE CLASS OF 1984
